The following rules must be followed while participating in the goose management plan at Chappell Lake:

All state and federal rules and regulations apply, including bag limits.

All participants must possess required stamps and permits.

This plan is valid only on Tuesday, Thursday and Sunday of the open season.

The take of dark goose only is permitted. Ducks and coots may not be harvested.

Shots may be taken only from inside the blind.

Orange shot markers have been placed on the right and left side of the blind and no shots may be taken outside of those markers.

The gate over the west walking path, east driving path and west driving path must be secured prior to placement of decoys.

It is the applicant's responsibility to ensure no one is parked or present on the north side of lake prior to goose management activities.

All parties present in the blind shall continuously watch to ensure no member of the public may enter the north side of the lake area.

The application fee of \$40.00 will go toward lake improvement projects.

All questions, comments and concerns should be directed to the City of Chappell Office.
